What is Knaresborough feva?

The name **feva** means 'the festival of entertainment and visual arts' and is the annual Knaresborough Festival held over 10 days in the middle of August each year. **feva** is run on a not-for-profit basis by volunteers and provides an exciting focus during the summer holidays as the town shifts up a gear with a huge number of events for all ages and tastes, for both residents and visitors to Knaresborough.

Become a Friend of feva

For just £10 a year for individuals and £50 for corporate members, people become Friends of **feva** and help preserve the continued success of the Festival.
